To Whom it may concern:

This letter serves to confirm that Mr. Uzair Ali successfully completed their internship program at Funktasy - Record Label & Magazine. Mr. Ali was a member of Funktasy's team and worked under my supervision from February 23rd, 2026 until May 28th, 2026.

During their time at Funktasy, Mr. Ali worked in our Graphic Design department. They were responsible for designing a wide range of visual assets, including static posts, carousels, magazine-related media, and promotional materials.

Mr. Ali also actively participated in our weekly group meetings.

Throughout their term at Funktasy, I found Mr. Ali to be very willing to carry out all duties assigned to them. Mr. Ali used initiative and worked well with and without supervision while working professionally with their colleagues, making them a pleasure to have on our team.

Should you have any questions or need further clarification please do not hesitate to contact the undersigned.

Yours faithfully,

A. Hoss
Director & Operations Manager
