

Local. Sustainable. **FRESH.**

Take the guesswork out of meal prep and benefit your community in multiple ways!

Fresh Fare Farms sources your meals from local farms in your area, which boosts your local economy, reduces food miles, and is better for the environment AND your family. Our farm partners use sustainable practices to provide meals that make the health of your family and the environment their top priority.

Sign up during the Hunger Action Month and we'll donate a box of Fresh Fare Farms produce to a food bank in your community!
