TOUR DESTINATIONS

ROCKAWAY LIGHTHOUSE

Visiting the Rockaway Lighthouse is one of the best ways to learn about its history and how you can get involved and support the preservation of this historic landmark. During your visit, you will also have some amazing fun as you take in the breathtaking views of sparkling seascapes that abound from its lofty vantage point.

SEA EXTRAVAGANZAS

WHALE WATCHING

Prime whale watching is in season! Loads of baitfish fill the waters around the Rockaway Seas, and the whales are there to gulp them down. Humpback, fin-back, and minke whales, along with dolphins, seals, and plenty of sunshine and salt air, await your presence. Join us now for the adventure of a lifetime!

FISHING EXCURSION

Come on board with us to share a fantastic fishing experience. You're in for a treat! Along the inshore flats, backcountry, and bays, you'll get to target delicious and exciting redfish, trout, pompano, sheepshead, and many more.

STINGRAY SNORKELING

Stingray City is a must-do for anyone visiting Rockaway. Here, you can interact with and feed these friendly stingrays in their natural habitat. The water is only waist height, so the whole family can enjoy the fun and get up close with these majestic stingrays.

TURTLE NESTING TOUR

On this turtle nesting tour, you will have the rare chance to see Olive ridley and Pacific green turtles lay their eggs and sometimes even see the babies hatching and going out to sea!
